11. EQUAL OPPORTUNITIES

- 11.1 We wish to support the development of creative and imaginative students for employment in industry, none of which is affected by physical ability. Therefore we support the development of individuals who may be physically challenged by the demands of certain courses which we find is best accommodated by early notification of potential difficulties. We will always try and take reasonable and justifiable steps to accommodate the difficulties in question, taking into account the student's difficulties, practical capability, impact and potential disruption, cost implications, and other legal considerations. However the very nature of a course may make course accessibility difficult for students with particular types of disability. Where this occurs we will endeavour to discuss this with you in advance whether you wish to attend certain aspects of a course where such challenges are reasonably and justifiably surmountable or agree an alternative solution which is satisfactory to both parties.
- 11.2 The Met operates an equal opportunities policy. All students are assessed as individuals and have equal access to the learning experience within the school. For certain courses students are assessed before acceptance according to their relevant skills, abilities and merits in order to ensure course appropriateness. Our selection process seeks to capture the wide diversity of potential creative talent in the industry and encourages applicants with the appropriate talent and ability whatever their background, ethnicity, origin, age, gender, class, sexual orientation, disability or religious or political beliefs.
- 11.3 We have designed our courses to deliver appropriate learning across a range of disciplines. Although we will take reasonable steps to warn students of the content of potentially distressing course material, we make no apology for such course material as we believe the material in question is an important part of the learning experience. You agree to discuss any concerns you may have with us in advance.

12. LAW AND JURISDICTION

- 12.1 This contract is governed by the law of England and Wales, and is subject to the exclusive jurisdiction of the courts of England.
